WORKING WITH COMMUNITIES

Our Commitment to Community Support

At Menfor Group, we are dedicated to more than construction; we are committed to fostering brighter futures. Through comprehensive training programmes, active participation in job fairs, and strategic partnerships, we support individuals in securing sustainable employment, thereby strengthening local communities and creating meaningful opportunities.

THE BRIDGE CONNECTING PEOPLE

Engaging with Our Local Communities

Menfor Group actively engages in job fairs and career events, connecting with individuals eager to commence or advance their careers in construction.

Menfor Group

Glencar Site Work Experience

Hosting DWP learners for practical, hands-on experience.

Steps to Work Job Fair

Assisting jobseekers in exploring opportunities within the industry.

City of Wolverhampton Council Job Fair

Boosting partnerships with local councils and organisations.

We were honoured to engage with the Lord Mayor of Wolverhampton and representatives from the City of Wolverhampton College, reinforcing our commitment to professional development in the region.

Making an Impact

Our support extends beyond job placements; we assist individuals in building confidence, gaining independence, and developing long-term careers. Each successful training programme and job fair participation represents a step towards a more skilled and resilient workforce.

“Your passion and determination inspire us. We are committed to opening doors and creating real opportunities for all.”
